

Congratulations to students who have achieved **perfect math score** last semester in the California Standard Tests after joining in our math programs:

Brian Hsu (3rd Grade, Diamond Bar), **Dori Wang** (3rd Grade, Brightwood, Monterey Park)

Kyle Taing (4th Grade, Marguerita Elementary School, Alhambra)

Justin Quan, Aurora Zeng, Jason Zhao (6th Grade, Brightwood, Monterey Park)

Jennifer Zhao (7th Grade, Arcadia school district)

**

We also congratulate all the students who achieved the advanced level in math in the California Standard Tests after joining in our math programs;
Only about 4 - 6% of 1-6th grade students have achieved the advanced math level in California.

Congratulations to Brian Hsu and Alexander Hsu!

They have won the www.IXL.com online math practice contest for the summer of 2013.

**let us know if your name is not there
